HOUSE OF DELEGATES

The annual HOD meeting takes place at ANSA annual state convention. This is an important meeting where Arkansas nursing students get together and discuss the previous year. Students can get involved in legislation by holding a delegate position for their school. As a delegate you will be able to vote on bylaw changes and candidates. Anyone may attend the HOD, but if you are interested in becoming a delegate please submit the delgate credentialing form included in the QR code.

AWARDS AND HONORS

We are excited to be offering several awards and honors, this year. We are even featuring a few new ones, like Educator of the Year. A flyer on page 4 can be used for advertisement to students and faculty.
